## **Note on Pricing**

Cost Price: The cost price of an investment product refers to the last captured cost price as per transactions that were captured in our Bank's systems, prevailing average market price or the last available market price for such period at the cut-over date of this report or such other price notified by you (in the manner we require).

## **Deposit Insurance Scheme**

Singapore dollar deposits of non-bank depositors and monies and deposits denominated in Singapore dollars under the Supplementary Retirement Scheme are insured by the Singapore Deposit Insurance Corporation, for up to S\$50,000 in aggregate per depositor per Scheme member by law.

Foreign currency deposits, dual currency investments, structured deposits and other investment products are not insured.

## **Disclaimers**

UOB has been granted exempt status by the Monetary Authority of Singapore in providing financial advisory services to our customers under the Financial Advisers Act (Cap 110).

This report shall not be copied or disseminated, or relied upon by any person for whatever purpose. This report is for information and indicative purposes only, and not intended to be a comprehensive study.

When preparing this report based on information which has been obtained directly from you, we have assumed that such information is true and accurate. The content of this report, including any data, projections and underlying assumptions are based on certain assumptions, management forecasts and analysis of information and reflects prevailing conditions and our views as of the date of the report, all of which are subject to change at any time without prior notice.

Valuation and portfolio returns calculated based on other assumptions or different periods/values may result in significantly different values.

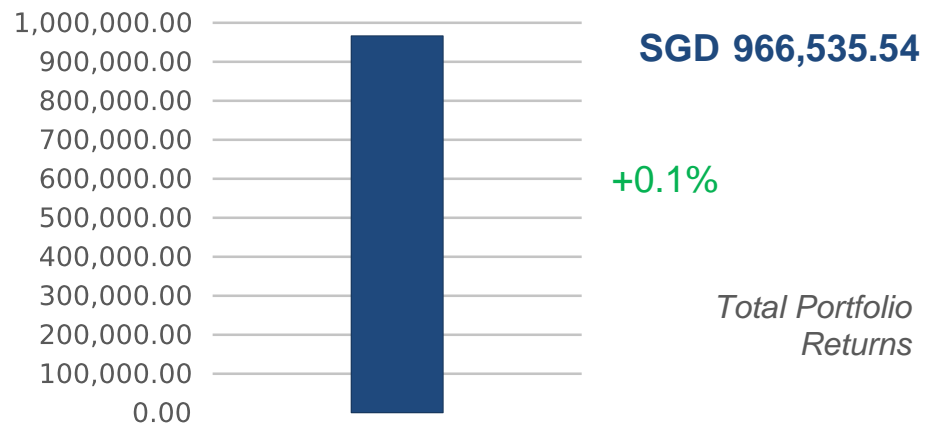

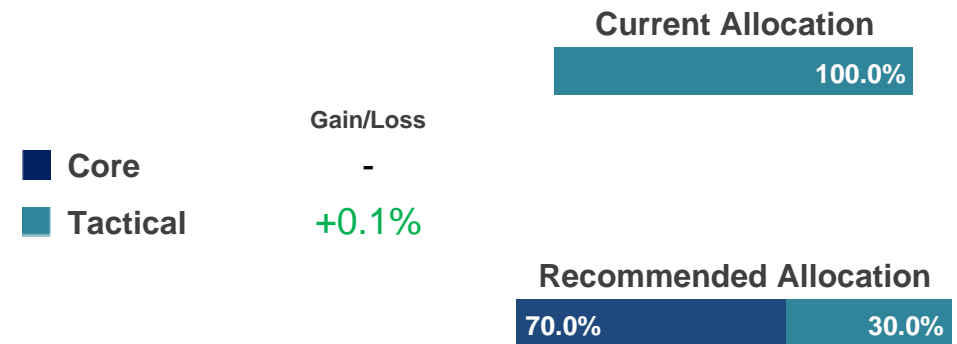

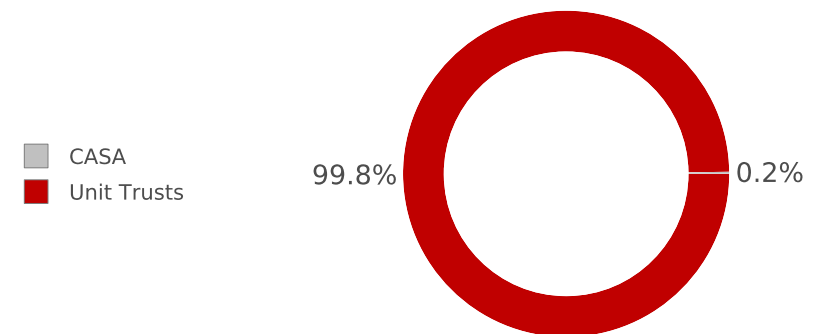

The classification of investments into short term and long term classes is for your reference only and may differ from those used by other financial institutions and/or market practice and/or other divisions/entities within UOB. All classifications are based on our sole and absolute discretion and may be changed at any time without prior notice.

Any description of investment products is qualified in its entirety by the terms and conditions of the investment product and if applicable, the prospectus or constituting document of the investment product

The opinions, predictions, views or judgement expressed in this report are subject to change at any time without notice. Although every reasonable care has been taken to ensure the accuracy and objectivity of this report, UOB and its employees shall not be held liable for any error, inadequacy, inaccuracy and/or omission, howsoever caused, or for any decision or action taken based on or in reliance on this report.

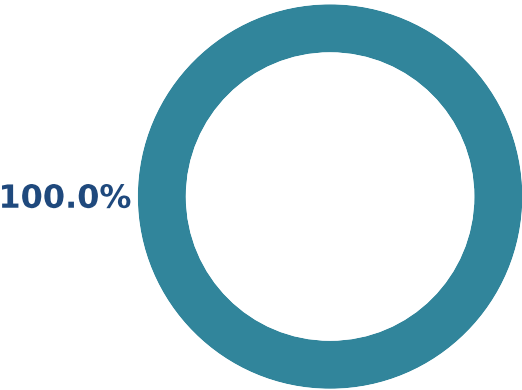

Any opinion, projection and other forward-looking statement regarding future events or performance of, including but not limited to, countries, markets or companies is not necessarily indicative of, and may differ from actual events or results.

You should not rely solely on this report to make any decision. Nothing in this report constitutes accounting, legal, regulatory, tax or other advice. Prior to entering into any proposed transaction, you should determine, without reliance upon UOB or its affiliates, the economic risks and merits, as well as the legal, regulatory, tax and accounting character and consequences of the transaction and take into account your specific investment needs. You may wish to seek advice from a professional or an independent financial adviser about the issues discussed herein or before investing in any investment or insurance product. Should you choose not to seek such advice, you should consider carefully whether the investment or insurance product in question is suitable for you.
